Do Your Ears Hang Low

Do your ears hang low

Do they wobble to and fro

Can you tie 'em in a knot

Can you tie 'em in a bow

Can you throw them over your shoulder

Like a continental soldier

Do your ears hang low

Tell me 'bout your legs

Are they short, are they thin

Are they tall or wide

If you're racin' will they win
Do they get you where you're goin'
Are they fast or are they slowin'
Tell me 'bout your legs

Have you got a tail
That is pretty or is plain
Is it curly or straight
Have you given it a name
Is it short or is it long
Is it weak or maybe strong
Have you got a tail

Do your ears hang high
Do they stand up in the sky
Do they drop down when they're wet
Do they stand up when they're dry
Do you wave them to your neighbor
With a minimum of labor
Do your ears hang high
Do you wave them to your neighbor
With a minimum of labor
Do your ears hang high
Do your ears hang high
Do your ears hang high

Make New Friends

Make new friends, but keep the old.
One is silver, the other is gold.

A circle is round, it has no end.
That's how long, I will be your friend.

A fire burns bright, it warms the heart.
We've been friends, from the very start.

You have one hand, I have the other.
Put them together, we have each other.

Silver is precious, gold is too.
I am precious, and so are you.

You help me and I'll help you
and together we will see it through.

The sky is blue. The Earth is green
I can help to keep it clean

Across the land, Across the sea
Friends forever we will always be
